Important university information and updates

myFSU To Do List
my.fsu.edu

Important financial aid & orientation information

To prepare for your arrival on campus, please complete the following items below.

▶▶▶ ACTIVATE YOUR FSUID

FSU Information Technology Services will send you an email containing your unique FSUID and email address. Go to my.fsu.edu, click Manage FSUID/Password, and follow the steps to complete the FSUID activation process.

For information on how to activate your FSUID, please see our How to Activate Your FSUID guide (admissions.fsu.edu/lib/pdf/2024/HowToClaimYourFSUID.pdf).

▶▶▶ COMPLETE YOUR HOUSING CONTRACT

Complete your housing contract in the myHousing Portal at housing.fsu.edu. Students are not required to pay their admissions deposit before submitting a university housing contract. **On-campus housing is not required but limited for first-year students at Florida State, so we encourage you to complete a contract as soon as possible.**

The Fall 2024/Spring 2025 contract will open for admitted students on February 21, 2024. Students who complete the contract between February 21 and February 25 will be entered into a lottery and receive a randomized contract number on February 26. Contracts submitted on February 26 or later will receive a contract number based on the date and time the contract is submitted. **The housing contract will close on May 1, 2024.**

Summer B 2024 housing contract will open on March 7, 2024, and close on May 1, 2024.

Living-Learning Communities (LLC) provide an opportunity for students to live and learn by taking one to two classes together inside their residence hall. To learn more about our living-learning communities, visit housing.fsu.edu/living-learning-communities.

▶▶▶ COMPLETE YOUR CARE PARTICIPATION AGREEMENT

If you are ready to accept your place in the CARE Summer Bridge Program, submit your CARE Participation Agreement as soon as possible, but no later than **May 1, 2024**. Submit this form by logging in to your Application Status Check at admissions.fsu.edu/statuscheck.

▶▶▶ REGISTER FOR YOUR ORIENTATION SESSION

CARE Summer Bridge students all attend the same Orientation session. Orientation is mandatory and usually takes place one week before classes begin. Once CARE students complete the CARE Participation Agreement, they must register for Orientation. **Orientation registration will open on January 10, 2024.** CARE Summer Bridge students will only be able to register for the CARE Orientation. The Orientation fee is added to your bill but will be paid with your financial aid award; however, the guest fee for family member(s) will still be due. **Students must register for orientation no later than May 5, 2024.** Visit nsfp.fsu.edu/orientation for additional information.

▶▶▶ COMPLETE YOUR FAFSA

Applying for Financial Aid as a summer admit requires you to submit a FAFSA (Free Application for Federal Student Aid) for both the 2023/2024 and 2024/2025 academic year. You can complete the 2024-2025 FAFSA at studentaid.gov/h/apply-for-aid/fafsa. **CARE requires all FAFSAs to be completed by March 15, 2024.** Failure to complete your FAFSAs will result in your admission being rescinded.

Note: The Office of Financial Aid may request additional documentation from you to verify your eligibility for funding. If additional documents are needed, you will receive an email or an additional item being added to your "To-Do List" at my.fsu.edu. Documents must be submitted by the requested deadline in order to maintain your admissions status.

Find out more about Financial Aid for New Noles at financialaid.fsu.edu/apply-aid/new-noles.

▶▶▶ SUBMIT YOUR IMMUNIZATION FORM

Before you can register for classes at orientation, you must complete our immunization form showing proof of two combined MMR vaccines and either showing proof of or completing a waiver for Hepatitis B and Meningococcal Meningitis vaccines. For information regarding our immunization requirement and to access the immunization form, visit studentinsurance.fsu.edu. **CARE expects you to submit this information to University Health Services by June 1, 2024.**

▶▶▶ SUBMIT PROOF OF HEALTH INSURANCE

FSU requires all students to show proof of comparable health insurance coverage or to enroll in a university-sponsored health plan before registering for classes at orientation.

For information on how to provide proof of health insurance coverage or information on FSU's health insurance plan, visit studentinsurance.fsu.edu.

▶▶▶ SELECT YOUR MEAL PLAN

CARE Summer Bridge Students are required to have a meal plan for the Summer B term. The meal plan will automatically be added to your account. Although a bill will appear on your account statement, the meal plan will be automatically paid closer to your move-in day. Visit Seminole Dining at seminoledining.campusdish.com for information on the 30 dining options available to you throughout campus.

▶▶▶ CHOOSE YOUR ENGAGE 100 COURSES

Engage 100 is an immersive program unique to FSU and designed just for first-year students. Through Engage 100, you have the power to meet great people, explore your passions, and see all that university life offers. Every first-year student will enroll in an Engage 100 course this fall semester. All CARE Summer Bridge students will enroll in an Engage 100 course facilitated by a CARE TEAM (Transition, Engagement, and Academic Mentoring) Leader. You will select your experience during Orientation. Visit the Engage 100 website at engage100.fsu.edu to review the 30+ courses you can choose from.

▶▶▶ COMPLETE FS4U SCHOLARSHIP SEARCH REGISTRATION

FS4U is Florida State's internal scholarship database which will allow you to search for scholarships or be automatically considered by departments for available funding. There are a number of scholarships that are awarded each year specifically to CARE students. To complete registration, go to fsu.academicworks.com.

For registration instructions, visit foundation.fsu.edu/sites/foundation.fsu.edu/files/documents/forms-and-resources/FS4U-Login-Instructions-Student.pdf.

▶▶▶ FINALIZE AND REVIEW YOUR CONDITIONS OF ADMISSION

▪ Residency Declaration Form

If you claim Florida residency for tuition purposes, the Residency Declaration Form must be completed before attending orientation. You can access the Residency Declaration Form by logging in to your Application Status Check at admissions.fsu.edu/statuscheck or admissions.fsu.edu/residency/classification.

- Update your Self-Reported Student Academic Record (**SSAR**) with your final, senior-year grades by logging in to the SSAR website at ssar.selfreportedtranscript.com/login.aspx. Submit the updates by clicking the Complete button at the bottom of the Review/Submit section. If you do not re-lock your SSAR, FSU will not receive your updated information.

▪ Submit Final Transcripts and Official Test Scores

The Office of Admissions requires a final official transcript from your high school. You must also submit an official college transcript that reflects your dual enrollment courses and AA degree. Transcripts must be sent directly from the school to be considered official. If you self-reported SAT, ACT, or CLT scores, you will need to have your official test scores sent by the respective testing agency to FSU. **All official transcripts and test scores must be received by July 10, 2024.**

▪ Review Your Conditions of Admission

We will re-evaluate your application after we receive all of your official records. Discrepancies between official and self-reported grades and test scores can result in your acceptance being canceled. If any of your senior-year grades are below a C or your cumulative college GPA is below a 2.0 (for those who took dual enrollment course college credits in high school), we may rescind your admission. For detailed information on admission conditions, please see your Application Status Check (admissions.fsu.edu/statuscheck).

If you have any questions, please email us at care@fsu.edu or call us at 850-644-9699.
