SCHOLARSHIP OPPORTUNITIES

Scholarships offered by the Office of Admissions are typically awarded at the time of acceptance as a first-year student. All accepted students are automatically considered for a scholarship. The scholarship criteria can vary from year to year depending on the quality of the incoming class and the funds available. Students will only receive one merit scholarship from the Office of Admissions but may be eligible for additional financial assistance by completing the Free Application for Federal Student Aid (FAFSA).

NATIONAL MERIT FINALIST/ BENACQUISTO SCHOLARSHIP

This prestigious scholarship is available to National Merit Finalists who are graduating with a standard high school diploma and list FSU as their first choice with the National Merit Scholarship Corporation. This award equals the institutional cost of attendance (minus the sum of Bright Futures and the National Merit scholarship). The total value of this scholarship is over $80,000 over four years and guarantees admission into FSU’s University Honors Program.

PRESIDENTIAL SCHOLARS PROGRAM

This premiere scholarship provides four years of academic and financial support. The total value of this scholarship is $31,200 over four years. Out-of-state applicants will also receive a full out-of-state tuition waiver. High school seniors who have been admitted to the honors program are eligible for consideration. Detailed information about this scholarship can be found presidentialscholars.fsu.edu.

UNIVERSITY FRESHMAN SCHOLARSHIP

Admitted students are automatically considered for this merit-based scholarship. A separate scholarship application is not required. Priority consideration is given to those admitted in February. The award is $2,400 per year distributed over four years for a total amount of $9,600.

OUT-OF-STATE TUITION WAIVER SCHOLARSHIP

The amount of this merit-based award is a 100% reduction (waiver) of the out-of-state portion of tuition fees, valued at approximately $481 per semester hour ($14,444 based on 30 semester hours for the academic year).
