**DEADLINES**

November 1, 2021 is the PRIORITY deadline for admission and merit scholarship consideration. Students who complete an application by November 1 will receive an admission decision on February 17, 2022. The FINAL application deadline is March 1, 2022. Students submitting an application after November 1, 2021 will receive an admission decision on a rolling basis beginning in March.

**SUPPLEMENTAL APPLICATIONS**

If a student plans to major in dance, film (animation or production), music, studio art, or theatre, please review the academic department’s website for detailed major requirements.

Students who selected YES to the honors program and/or CARE question must complete their supplemental application(s) by the deadline.

- Honors Deadline: November 15
- CARE Deadline: November 1

Students will be notified about their University Honors and/or CARE decisions on February 17. Students who are not selected for the University Honors Program and/or CARE will automatically be considered for general admission.

**TEST SCORE INFORMATION**

Requiring an ACT or SAT test score for admissions consideration is not an institutional choice. FSU, along with Florida’s 11 other public universities, is subject to Florida Board of Governors admissions regulation 6.002 which requires first year students seeking admission to submit an ACT or SAT test score.

When evaluating students for admission, we super score for both the ACT and SAT. For a decision on February 17, we will accept test scores through December 31, provided everything else has been submitted by the priority deadline of November 1.
