**Financial Matters**

As a member of the Atlantic Coast Conference (ACC), Florida State offers admission to students on a “need-blind” basis. Your ability to pay has no bearing on our admission decision. 

**Tuition Reduction Scholarship (Waiver)**

Non-Florida residents may also qualify for a 50% reduction (waiver) of the out-of-state portion of their tuition (approximately $6,875 based on 30 semester hours for the 2010-2011 academic year). An application is not required. Because scholarships are limited, students with strong academic records should apply to the University by our priority deadlines of January 31.

Although no award can be made until a student is offered admission, students and families are strongly encouraged to complete the FAFSA in order to be considered for financial assistance. For more information, contact the Office of Financial Aid by telephone at (877) 623-2065 or visit the Web site at http://financialaid.fsu.edu.
