Strength • Skill • Character
Florida State University is the oldest, continuous site of higher education in Florida, and our University Seal is the emblem of our preeminence. The three torches at the center of FSU’s historic seal represent the virtues at the heart of our identity, and they comprise our university’s motto: **Vires, Artes, Mores**. Accordingly, the holistic review that we undertake for each applicant is performed through a framework defined by these values.

- We believe **Strength** (Vires) is measured by the determination it takes to maintain academic excellence. Our student scholars are recognized for perseverance in their pursuit of scholarly distinction.
- We understand that all students have unique gifts. FSU students excel at taking their innate **Skill** (Artes) and talent to the highest levels by turning ideas into meaningful, real-world outcomes.
- We provide an environment where students can explore the full potential of their **Character** (Mores). We value engagement that produces genuine progress, and FSU provides a collaborative community where shared experiences can help build a better, more just world.

Since 1851, we have been devoted to educating visionaries who will change our world for the better. The FSU community can proudly reflect on 171 years of history, achievement, and tradition. When you join our community, we set you on a path to success. We will see you through every challenge, and when you decide where you want to go, we will see that you get there.

Visit [heritage.fsu.edu](http://heritage.fsu.edu) to learn more about our rich legacy.
The numbers below represent the middle 50% of students admitted for fall and summer terms 2022.

**FALL**
- GPA: 4.3–4.6
- SAT: 1300–1430
- ACT: 29–32

**SUMMER**
- GPA: 4.1–4.5
- SAT: 1210–1320
- ACT: 26–29

All application materials must be provided by the application deadline. At least one test score must be submitted before the application deadline; however, additional tests may be considered. Visit admissions.fsu.edu/first-year/apply for specific test score deadlines.

Students should apply for the term they wish to enroll at the University. Students are not automatically considered for the summer term if they are not eligible for the fall term.

**Academic Excellence**

**Combined Bachelor's/Master’s Programs**
This combined bachelor’s/master’s pathway provides an opportunity to complete both a bachelor’s and a master’s degree. You may apply as early as the second semester of your sophomore year. See [gradschool.fsu.edu/academics-research/combined-bachelorsmasters-pathways](http://gradschool.fsu.edu/academics-research/combined-bachelorsmasters-pathways) for more information.

**Honors Program**
Honors students focus on areas of personal growth in intercultural communication, service, research, entrepreneurship, and leadership. Our honors students conduct research with distinguished faculty, compete for National Fellowships, serve on executive boards of the many student organizations, and much more. Learn more at [honors.fsu.edu](http://honors.fsu.edu).

**The Office of National Fellowships**
The Office of National Fellowships (ONF) seeks to ensure success for qualified applicants, and to promote the personal growth of individuals whose efforts and contributions benefit the entire university community. ONF provides information and support throughout the fellowship application process through direct assistance for more than 60 nationally competitive fellowships. Visit [onf.fsu.edu](http://onf.fsu.edu) to learn more.

**Degree in 3**
This program assists students to graduate in three years or less. Degree in Three is typically best for students who enter FSU with college credit earned through AP, IB, AICE, or dual enrollment. Visit [gps.fsu.edu/degree-in-three](http://gps.fsu.edu/degree-in-three) for more information.

**More in 4**
Under this option, students can graduate with their bachelor’s degree in three years and then move into one of FSU’s 120+ master’s or graduate certificate programs. Because some of these master’s degrees can be completed within one year, More in Four participants can graduate in four years with a bachelor’s and master’s degree. Visit [gps.fsu.edu/more-in-four](http://gps.fsu.edu/more-in-four) for more information.
To be considered for financial aid, you must complete the 2023–2024 Free Application for Federal Student Aid (FAFSA) at studentaid.gov. The application is available beginning October 1, and you should complete it no later than December 1 for priority consideration. Students admitted for the summer term should complete the 2022–2023 AND the 2023–2024 FAFSA. For more information, visit financialaid.fsu.edu/apply-aid/prospective-noles.

The tuition & fees estimates above are based on taking 13 credit hours for two semesters (Fall & Spring) at the Tallahassee campus. The estimate may not represent the actual cost for each individual student since enrollment and lifestyle choices will impact actual expenses.

*This estimate does not include health insurance. Students who do not have existing, comparable health insurance may enroll in the school-sponsored plan for approximately $3,011/year.
Strength • Skill • Character

A Preeminent Florida University
MAKE YOURSELF AT HOME

University Housing promotes student success by providing an environment that encourages engagement in both academics and leadership development. The staff, who live and work in the residence halls, foster lifelong learning by promoting responsible citizenship, scholarship, appreciation of differences, wellness, and campus involvement. Students who choose to live on campus typically transition successfully into college life making higher grades, completing more classes, and returning at higher rates for their second year.

To complete a housing contract, students must be admitted to FSU. Students will be notified shortly after being admitted to the university about university housing contracts and deadlines for 2023. Visit housing.fsu.edu for complete details and to take a virtual tour of our residence halls.
FOOD FOR THOUGHT

Campus dining should be an exciting part of your university experience, and our menus reflect seasonal and cultural variety every day. We use flavors from all over the world, but we also partner with local farmers. We offer a variety of meal plans (seminoledining.campusdish.com) that you can use in either of our two dining halls or in one of the 20+ popular retail locations across campus, so you never have to be hungry while on the go.

We want healthy eating to be an easy, worry-free part of your university experience. Consider our allergen-free and modified diet options, and look into our worry-free and true balance zones. We believe in accommodating everyone's unique dietary requirements.

For information on dining locations and hours of operation across campus, visit seminoledining.com.
While we’re serious about your education, we also believe it’s important to maintain a healthy work-life balance. FSU offers more than 750 registered student organizations, so we encourage you to set aside some time to expand your interests, relax, and enjoy pursuing extracurricular activities with your friends. We also have a thriving Greek-life scene, dozens of intramural sports teams, and an entire Rez Lake Front Park where you can enjoy outdoor activities such as camping and boating. Additionally, you can experience football games, Homecoming, the Flying High Circus, Opening Nights concerts in Ruby Diamond auditorium, and playing on Landis Green. When you get involved in student life, you’ll make memories that last a lifetime.
Tallahassee and Florida State have made history together for nearly two hundred years, and that bond makes the term "college town" genuinely meaningful for us. You'll feel the vibe the moment you arrive, and we can't wait to show you around!

Living in Tallahassee means access to gorgeous parks, world-renowned fresh-water springs, incredible hiking and biking, great restaurants, and year-round cultural events. You're only 60 miles away from the Gulf's white-sand beaches, and Wakulla Springs State Park and St. George Island are just a quick car ride away. Go kayaking or tubing on one of our beautiful rivers. Take your bike down the St. Marks Historic Railroad State Trail. Spend a First Friday at Railroad Square Art Park, or catch a concert in Cascades Park. No matter what you like to do, you can do it here with us!
EXPERIENCE FLORIDA STATE

We’d like to welcome you to our inviting campus community, located on almost 500 acres of beautiful, tree-canopied space in the heart of Tallahassee, FL. FSU has everything you could want in a university—rich traditions, strong academic programs, championship athletics, and a thriving town to call home. Our 45,493 students hail from every county in Florida, all 50 states, and 130 countries. Nevertheless, we know many of our graduates remain Tallahassee residents at heart long after they leave FSU. We invite you to visit and see what people are talking about when they say FSU is such a wonderful place to call home.

To learn more about how you can experience FSU, check out your options at visit.fsu.edu.
