The application is available beginning October 1, and you should complete it no later than December 1 for priority consideration. ADMISSIONS SCHOLARSHIPS

The scholarship criteria can vary from year to year depending on the quality of the incoming class and the funds available. Students will only receive one merit scholarship from the Office of Admissions but may be eligible for additional financial assistance by completing the Free Application for Federal Student Aid (FAFSA). For more information, visit admissions.fsu.edu/freshman/finances.

The totals above are based on Fall & Spring, 15 hours-per-semester. They do not include the cost of health insurance. Students who do not show proof of existing, comparable coverage may enroll in the school-sponsored plan at a cost of $2,786/year.
