APPLICATION DEADLINES

SUMMER—MARCH 1

FALL—JUNE 1

SPRING—NOV 1

UNIVERSITY REQUIREMENTS: FRESHMAN & SOPHOMORE-LEVEL APPLICANTS (12-59 HOURS)

Freshman and sophomore applicants (12-59 semester hours of transferable credit as determined by the Office of Admissions) must:

- have a strong academic high school profile and ACT and/or SAT test scores that are indicative of success at the college level. Very few students with less than a 3.0 academic GPA will be admissible.
- have a minimum GPA of 2.0 on all attempted college courses. In calculating your GPA, we use all attempted courses (including D's, F's, and WF's) from every college you have attended. If a course is repeated, we will use both grades.
NOTE: The best indication of your potential academic success at Florida State University is your calculated transfer GPA. Very few students with less than a 3.0 calculated GPA will be admitted.
- be in good academic standing and have at least a 2.0 calculated GPA on all work attempted at your last institution.

Other factors taken into consideration when transferring as a lower-division transfer student include the number of hours taken each semester (we prefer 15 each fall and spring semester), the types of college classes taken each term, and the grades earned in those classes.

UNIVERSITY REQUIREMENTS: JUNIOR & SENIOR-LEVEL APPLICANTS (60+ HOURS / AA DEGREE)

Junior and senior applicants (60+ semester hours of transferable credit as determined by the Office of Admissions) must:

- have a minimum GPA of 2.0 on all attempted college courses. In calculating your GPA, we use all attempted courses (including D's, F's, and WF's) from every college you have attended. If a course is repeated, we will use both grades.
NOTE: The best indication of your potential academic success at Florida State University is your calculated transfer GPA. Very few students with less than a 3.0 calculated GPA will be admitted.
- be in good academic standing and have at least a 2.0 calculated GPA on all work attempted at your last institution.

Applicants who have received an Associate of Arts (AA) degree from a Florida public institution immediately prior to transferring receive priority consideration for admission provided the application and all supporting documents are received in the Office of Admissions by the deadline.

NOTE: Applicants who graduate from high school and who will receive an AA degree at the same time must meet the first-year admission requirements AND the major requirements when submitting the admission application. If this applies to you, you must submit a first-year application.
