- **The Summer B 2025 housing contract will open for admitted students in early March and close on May 1, 2025.**

Note: Summer students who would like to live on campus will need to complete **both** the Summer and Fall/Spring housing contracts.

Living-Learning Communities (LLC) connect you with students who have a shared interest and will take one to two classes with you inside your residence hall. Learn more about our Living-Learning Communities at housing.fsu.edu/living-learning-communities.

PAY YOUR ADMISSION DEPOSIT

You should pay your \$200 non-refundable admission deposit as soon as you decide to attend FSU, but no later than May 1, 2025.

Log in to your Application Status Check at admissions.fsu.edu/statuscheck to pay the admission deposit. For detailed instructions, see our "How to Pay Your Deposit Guide" at fla.st/DU7INMRL.

REGISTER FOR YOUR ORIENTATION SESSION

After activating your FSUID and paying your \$200 non-refundable admission deposit, you must register for orientation. This mandatory, multi-step process opens on **January 15, 2025**. Space for each session is limited, so register as early as possible. **Registration and payment is due by May 5, 2025.** For more information, visit nsfp.fsu.edu/orientation.

SUBMIT PROOF OF YOUR HEALTH INSURANCE

FSU requires all domestic full-time, main campus students and all international students with F or J visas to show proof of health insurance coverage. Visit studentinsurance.fsu.edu for details, instructions, and information on the FSU-sponsored plan through United Healthcare Student Resources.

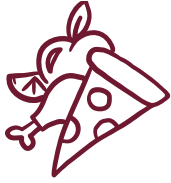

SUBMIT YOUR IMMUNIZATION FORM

Before you can register for classes at orientation, you must complete our immunization form showing proof of two MMR vaccines and either proof of or a waiver for Hepatitis B and Meningococcal Meningitis vaccines. For more information and access to the form, visit studentinsurance.fsu.edu.

COMPLETE YOUR FAFSA

To be considered for need-based financial aid, you must first submit the Free Application for Federal Student Aid (FAFSA) at studentaid.gov/h/apply-for-aid/fafsa. **Complete the 2025/26 FAFSA for Fall 2025 and Spring 2026 financial aid. If starting in Summer 2025, you should also submit the 2024/25 FAFSA for summer aid.** Learn more at financialaid.fsu.edu/apply-aid/new-noles.

SELECT YOUR MEAL PLAN

You are not required to purchase a meal plan, but with 30 different dining locations on campus and a number of varied meal plan options, you may find it convenient. Visit Seminole Dining at seminoledining.campusdish.com for a comprehensive list of our dining options.

CHOOSE YOUR ENGAGE 100 COURSE

Every first-year student must enroll in an Engage 100 course in their first semester at FSU. Engage 100 helps you connect with new students and a peer mentor, explore social and academic opportunities, and dive into university life. Before orientation, visit engage100.fsu.edu to review the course options. Students in CARE Summer Bridge, QUEST, the Honors Program, UROP, Living-Learning Communities, and some academic programs will take a specific course that counts as their Engage 100 course.

DON'T FORGET

FINALIZE YOUR ADMISSION

Florida Residency Declaration Form

All students who wish to claim Florida residency for tuition purposes must complete the residency declaration form before attending orientation. If you have not already completed your form, visit your Application Status Check at admissions.fsu.edu/statuscheck to complete this task.

SSAR Update

Update your Self-Reported Student Academic Record (SSAR) with your final, senior-year grades by logging in to the SSAR website at ssar.selfreportedtranscript.com/login.aspx. After you have entered your information, click the Complete button at the bottom of the Review/Submit section. **If you don't click the Complete button, FSU will not receive your updated information. All senior grades must be updated on your SSAR by July 15, 2025.**

Final High School Transcripts, Final College Transcripts, and Official Test Scores

Request your final high school transcript with your graduation date and your official college transcript with dual enrollment coursework to be sent to FSU. Your high school is not responsible for sending your college transcript. Request all official ACT, CLT, and SAT test scores to be sent to FSU. **All official transcripts and test scores must be received by July 15, 2025.**

REVIEW YOUR CONDITIONS OF ADMISSION

We will reevaluate your application after receiving all official records. Discrepancies between self-reported and official test scores and/or transcripts may result in your offer of admission being rescinded. Your conditions of admission include: earning no senior-year grades below a C, and/or your dual enrollment GPA should not fall below a 2.00. For detailed information on your conditions of admission, check your Application Status at admissions.fsu.edu/statuscheck. Contact the Office of Admissions if you are concerned about not meeting your conditions of admission.
